

# Plan Code and Coverage Level Descriptions

## Plan Code Descriptions

The first three characters in the code represent the type of plan. PPO is Standard PPO, PPP is Partnership PPO, and PPL is PPO Limited (LE and LG only). The next two characters represent the carrier. These are listed in alphabetical order so V1 is BlueCross BlueShield, V2 is Cigna, and V3 is Cigna LocalPlus. The final character represents the region. E is East, M is Middle, and W is West.

Plan Code	Description
